Good Morning Quinn

Thanks for checking in this morning. Hopefully we can nail down the seed treatment part of the FIFRA mitigation, sorry for the late hit. Talk with you later and enjoy your day.

Good Morning Linda,

I hope you are doing well this morning. Today I will be working on pre-stamp check and getting labels to you that have passed. I will also continue working on the CME ID to make sure it is ready for review early next quarter. Other than that I will be following up on the treated seed FIFRA mitigation meeting from yesterday. I hope you have a great day and I look forward to talking to you later.

Best,
Quinn
